6. Consider request from Applicants David Carulla and Nick Carulla with Jefferson's Fairview, 2431 Fairview Blvd, Fairview, TN for an On-Premises Beer Permit.

Representatives: Nick Carulla and Sean McCooey

Discussion: Mayor Anderson asked the representatives if this permit was being pursued due to new ownership. Mr. Carulla replied that is correct, they have purchased this location from Mr. Andrew Deal. Mayor Anderson asked the representatives if everything is in order and about any previous violations. Mr. Carulla replied everything is in order. Mr. McCooey stated they have twelve locations in three different states and have been affiliated with Jefferson's Restaurants for several years. Mr. Carter asked the representatives to explain what mechanisms they use to avoid serving underage people. Mr. Carulla stated they use the BARS program where someone comes in once a month to do a "secret shop" to make sure the server is asking for proper ID. He stated they also provide training for their servers. Mr. McCooey stated they have a zero-tolerance policy on the BARS program so if an employee gets a red card they no longer work for the company. Mr. Carter reminded the representatives that holding a Beer Permit is a privilege and it can be taken away if the laws are followed.
