B. Fire Department Report by Fire Chief Scott Hughes presents the February Fire report noting 97 calls for the month. There were 9 overlapping incidents for the month, 4 automatic mutual aid calls to surrounding agencies and three incidents that required a fire to be extinguished (1 grass fire and 2 vehicle fires). As is typical medical calls lead in call volume at 63% of total calls. February training

hours totaled 492 including driver training, HR and EMS. If residents need smoke detectors please contact the fire department to schedule installation as the state grant dictates they must be installed by the department. This month we were busy with our annual pre-plan visits which are required annually to all local commercial occupancies. We hosted four pub-ed events for a total of 60 children and adults reached.

- C. Public Works Department Report – Public Works Director Micah Sullivan announces March is the last month for leaf pick-up. With five Tuesdays in the month the last Tuesday will be used for a last sweep of all zones. April begins brush pick-up but a reminder that we do not pick up any household garbage, appliances and such. Regulations for the brush pick-up service are available on our website. Camp Bowie is a go and we are a little over half-filled on most camps and I believe all teachers are in place. The Weed Wrangle scheduled for Saturday has been postponed but no new date has been set yet. Weed Wrangle is a Nashville-based organization and in light of the recent storms, has decided to focus on clean up from the tornadoes rather than weeds at this time.
