12. Roundtable: Mayor and Commissioners

Commissioner Hall – Mr. Hall suggested making a committee for water and sewer and asked the board for their approval to form the committee. He stated he has three volunteers willing to attend the Water Authority of Dickson County's board meetings and report back to the BOC. The purpose of the committee is to gather information and lobby for Fairview to have a representative on the WADC board. Mr. Carter suggested forming a Task Force created by Resolution for the next BOC agenda.

Commissioner Johnson – Nothing to report.

Commissioner Street – Commissioner Street made the following statement:

First, I want to say that it's been my honor and privilege to serve as a commissioner. Since being elected to the Fairview BOC, I feel I have done my job with compassion, always keeping in mind the request and needs of the citizens. I love our city and only want to make it better. Coming into this position, I didn't know exactly what to expect from the board members, however at the very least I expected us to treat one another with respect and integrity even when we had a difference of opinion. Unfortunately, that has not been the case. Instead, I've been bullied by the mayor, other board members, and the city attorney. I've been attacked

personally and been made to seem as if I have negative intentions, all of which could not be farther from the truth. I tried to look away, but I cannot in good faith continue to be a part of something that I feel is doing so much more harm than good. I feel I've been doing my job based on the facts presented, the law, and most importantly with compassion for the people of Fairview. At this point in time, I feel I can better serve the best interests of Fairview by working alongside the citizens advocating for their wants and needs. For my family and Fairview, I resign as of the end of this meeting from the Fairview Board of Commissioners. I want to thank the people for their support and opportunity to serve.

Vice Mayor Butler – Nothing to report.

Mayor Anderson – Mayor Anderson stated it was exciting to see such a crowd at the last meeting and welcomed any groups, teams, or organizations to let the BOC know of their accomplishments so the city can honor them. Mayor Anderson also corrected a statement she made last meeting about Vice Mayor Butler being the Vice President of the Fairview Rec Association, Commissioner Johnson is actually the Vice President of the Fairview Rec Association. Mayor Anderson also reminded everyone of the Town Hall meeting scheduled for August 31, 2023, at 7:00pm at City Hall.

13. Adjournment @ 7:42 P.M. – Commissioner Johnson

Rachel Jones, City Recorder
