1. Mayor Brison called the Special Meeting to order at 7:00 p.m. and stated the purpose of the meeting was to adopt a resolution approving sandblasting and painting the Sleepy Hollow Water Tank while it is down for a regular maintenance check.
2. Mayor Brison reported that he received a phone call followed by a fax asking the City to wait until spring to do any work on the water tank pending their ownership of the water system and getting engineer plans approved by the State. Brison also advised that the inspector of the tank advised that the riser may need some repairs before the sandblasting and painting is done. She also recommended waiting until spring because of the temperatures.

Arney made a motion to defer action on repairs to the water tank until a later date. Johnson seconded the motion. All were in favor.

3. The meeting adjourned at 7:10 p.m.
