 - A. Jim Beata stated that he was proud to see the director of the Drug Task Force, Joey Kimble, at the meeting and that Vice-Mayor Arney and Chief Harris are working with him on a drug awareness program for the City of Fairview. He stated he is glad the elections are over and despite all the negative campaigning by the Fairview Neighborhood Association they did not get their desired results. He felt it is time the Board gets back to the business of the City. He is glad the Board voted to transfer the ailing water and sewer system to a qualified authority. He hopes they pick the best qualified person for the vacant position and not just the one that makes the most noise.
 - B. Lisa Anderson stated that the recent election had a record turn out at the polls. However, there was a dark cloud over the election and its name is the Fairview Neighborhood Association. The name is misleading because only about five members live in the City. She felt the FNA went about the city spreading lies, deceiving, and threatening the business owners and that they removed campaign signs. She further advised that most citizens want to see Fairview grow. She felt the Board should not appoint someone to fill the vacant seat that is sponsored by the FNA.
4. **Awards and/or Recognitions – None**
5. **Public Announcements –**
 - A. Forehand reminded everyone that the Christmas Parade will be on December 2nd at 10:00 a.m. and the tree lighting on December 3rd at 5:30 p.m. in front of City Hall. There will be refreshments and caroling.

- B. Chief Harris advised that there have been some telephone solicitations going on and they are calling themselves the Police Protected Fund and that this is a fraud. He advised people to never donate money over the phone.

Forehand stated that she would like permission for the police department to use a portion of what is referred to as the “out parcel” (map 43, parcel 44 containing 24.7 acres) located on Dice Lampley Road as a firing range. They lost their present firing range with the transfer of water/sewer properties to the WADC. He asked Joey Kimble, Director of the 21st Judicial Drug Force, to come and show a video on what using drugs can do. Kimble advised that the video he was about to show has been shown in every middle school and high school in the 21st Judicial District, which includes Williamson, Hickman, Lewis and Perry Counties. He also stated that he would like to work with the City in promoting a drug awareness program. After the 15 minute movie, Kimble advised that the Drug Task Force has started a citizens academy where they talk about drug problems in Williamson County.
